MEMORANDUM FOR:

Acting Director
Psychological Strategy Board

SUBJECT : U. S. Doctrinal Program (PSS D-33/2)

1. I have noted and I approve the contents of PSS D-33/2, dated 5 May 1953 and Annex B of the same date sent by memorandum dated 13 May 1953, subject to the insertion of the word "abroad" in the first sentence of Annex B between the words "activities" and "supporting". I should like also to register disagreement with the term "International Doctrinal Institute", and to express the hope that an appropriate term will be selected to replace it.

2. As called for in Annex B, this Agency will give high continuing priority to all activities abroad supporting the objectives of the program insofar as is possible in the light of its other responsibilities under existing authority and its personnel and budgetary limitations.
